WELCOME TO CSCSI 2023

2023 International Conference on Computer Science and Computational Intelligence will be held in Hong Kong during November 24-26, 2023 as the workshop of ICSCGE. The conference is co-sponsored by University of Hong Kong, which aims to promote an exchange of recent and advanced information among scientists and engineers in the wide field of computer science and Computational Intelligence. The forum is also aimed particularly at promoting communication and collaboration between fundamental researchers and those engaged in the development of practical technology in respective areas of computer science and Computational Intelligence.

COMMITTEE

CONFERENCE CHAIR

Tiong Siah Kiong, IEEE Member, University Tenaga Nasional, Malaysia

CONFERENCE CO-CHAIRS

IMPORTANT DATES

Submission Deadline

June 30, 2023

Acceptance Notification

July 30, 2023

Registration Deadline

August 20, 2023

Conference Date

November 24-26, 2023

CALL FOR PAPERS

- Visualisation of big data and visual data analytics
- Human-computer interaction and collaboration in big data
- Classification, Clustering, Regression
- Feature learning and feature engineering
- Ethical Computational Intelligence on Big Data, Internet of Things, and Smart Cities
- Evolutionary computation for feature analysis
- Fuzzy logic for feature analysis
- Hybrid evolutionary computation and machine learning

PAPER PUBLICATION

Submissions will be reviewed by the conference technical committees and IJMLC Editorial board, and accepted papers will be published in the International Journal of Machine Learning and Computing, which will be indexed by Inspec (IET), Google Scholar, Crossref, ProQuest, Electronic Journals Library, CNKI.
